## A. Data processing on our Website

### Categories of personal data collected

Each time our Website is called up, our web server automatically records data and information from the computer system of the calling computer in so-called server log files. The following data is collected:

- Browser type and browser version,
- The operating system used,
- Referrer URL,
- IP address/hostname of the accessing computer,
- Time of the server request.

This data cannot be assigned to specific persons on our part. This data is not merged with other data sources. Subject to any statutory retention periods, the IP addresses of users are deleted after the end of use. The temporary storage and statistical evaluation of data that cannot be assigned to specific users serves only to ensure system security and the security of user data (e.g. the detection of any faulty links and program errors as well as attacks on the system).

### **Purpose and legal basis of the processing**

We only collect personal data from Website visitors that is necessary for the smooth functioning of the Website and to provide our content and services. This includes personal data that you have voluntarily provided to us. We process personal data in accordance with Article 6(1) DSGVO, based on either your consent (if you willingly provide us with your data, i.e. via our reservation tool) or our legitimate interest (such as ensuring system stability and security). For more information on the processing of data transmitted through online forms, please refer to the "B. General data processing by Casino Royal" chapter.

### **Storage period**

When you provide personal information to make a reservation, we will delete it one year after our services end, unless there are other reasons for us to keep it.

If you gave us permission to use your data for direct marketing, we will keep it until you withdraw your consent or we no longer need it.

Additionally, we may hold onto personal information until the end of any legal proceedings in which it is needed as evidence.

### **Data Analysis on the Website**

We do not conduct any web analyses on the Website and do not utilize any web analysis tools. Therefore, there is no assessment of the visitor and usage data mentioned above.

### **Online form**

Our Website offers a reservation form that you can use to make a request. We will only use the information you provide in the form to process your request, and it will not be used for any other purpose or linked to other data. The data you enter in the form is transmitted in an encrypted format. For more information on how Casino Royal processes data related to inquiries or reservations and the corresponding deletion periods, please refer to the section " B. General data processing by Casino Royal".

### **Social Plugins**

We don't use social plugins on our Website. You can find only simple links to social media sites such as Facebook and Instagram, but we don't track your behavior.

## **B. General Data processing of Casino Royal**

### **Categories of personal data collected**

When making a reservation through phone, email, or our reservation tool, we may collect your personal information which includes your name, surname, email address, and phone number. With your consent, we can also use this information for direct marketing purposes. Additionally, if you visit our restaurant, we use camera surveillance to capture your image, but we do not process any special category or biometric data.

### **Purpose and legal basis of the processing**

The processing of personal data in connection with your visit to the Restaurant is carried out following Article 6(1) DSGVO based on:

- The necessity of the performance of the contract, e.g. to be able to identify you as our customer, for correspondence with you, or to realise your reservation;
- Your consent, if you provide us your details voluntarily, e.g. by sending us queries via email or social media (Facebook, Instagram) or giving us consent for direct marketing;

### **Storage period**

When you provide us with personal data for making a reservation, we will delete it one year after our services end, unless there are other reasons to keep it. If you allow us to use your data for direct marketing, we will store it until you withdraw your consent or the purpose of the processing is fulfilled.

### **Recipients or categories of recipients of the personal data**

At Casino Royal, we ensure that our employees only access your data when it is necessary for fulfilling our contractual, legal, and supervisory obligations. We may share your information with third parties if it is required for providing our service or mandated by law, such as with banks, asset management companies, authorities, state institutions, police, and courts. However, we will never sell, rent, or disclose your personal data to any third party.

### **Transfer of personal data to a third country**

Please note that we may transfer personal data to countries where our service providers, such as software suppliers and IT service providers, are located.

A transfer of your data to recipients in a third country or to another international organisation will only take place (in addition) if the following guarantees exist:

- the third country offers an adequate level of protection for personal data according to the European Commission;
- the recipient has signed a contract based on "model contractual clauses" approved by the European Commission, which obliges it to protect personal data.

We will be happy to provide further information on the protection of your data in the event of a transfer to a specific third country upon request.

### **Recruitment process**

- The data controller of the personal data of our employees, associates, and persons applying for employment is LV Investments AG.
- The personal data that we are provided with is used by us only for the following purposes: recruitment processes, the performance of our duties arising from the provisions of the law relating to employing workers and establishing cooperation, and, potentially, also to establish, pursue and defending claims made against us.
- The legal basis for the processing of personal data by us are the provisions of the law, the legal duty that is imposed upon us (art. 6 (1) (c) DSGVO) in the event of recruitment, to take steps at the request of the data subject before entering into a

contract and to perform a contract (art. 6 (1) (b) DSGVO). We can also process data based on our legitimate interests pursued by the controller consisting in establishing, pursuing, or defending against claims in proceedings before courts or public authorities(art. 6 (1) (f) DSGVO).

- We can make our employees' data available to entities and bodies to which we are obligated to transfer the data under the provisions of the law, as well as entities that render services on our behalf that are necessary to conduct business (e.g. accounting, legal services, services related to benefits concerning medical care, insurance and access to recreational facilities, etc.).
- We will only keep personal data stored for as long as is reasonably necessary to carry out the purposes and legal obligations outlined in this clause.
- In the case of recruitment - we will keep your data for the entire recruitment period and up to 3 months after its completion, unless you agree to participate in future recruitments, then we will store your data for 2 years.
- You have the right to: access your personal data, rectification, erasure, restrict processing, make a complaint to a supervisory authority, and the right to transfer the data. The consent to the processing of personal data may be withdrawn at any time. However, it does not affect the lawfulness of processing based on consent before its withdrawal. In the case of recruitment, withdrawing the consent will make it impossible for us to take your application documents under advisement.
- For performance of the rights related to personal data, please contact the [datenschutz@lvcasino.li](mailto:datenschutz@lvcasino.li) (email address)

## C. Data security at Royal Casino
